COMPANY OVERVIEW

A to Z Printing is a company completely committed to excellence, both in print quality and customer service. Since our founding in 1986, A to Z has consistently produced work that met or exceeded the expectations of our customers. We offer all types of commercial printing services and in-house creative graphic design. We also provide direct-to-plate digital output, business forms, advertising specialties, and high quality color copies at low cost.

To further enhance customer service, A to Z Printing moved to a larger, newly constructed building at 8230 Cody Drive in the Yankee Hill Business Center in 2004. The move made room for additional presses, copiers and work areas, so our customers will enjoy better values and faster turnaround times. We also continually upgrade our printing equipment and software.

Industry peers and community members have frequently recognized our successful pursuit of excellence by honoring us with awards. While appreciated, these awards are not the motivating force behind our work ethic. It stems from our philosophy, "We put everything we have into everything we do." We put everything we have into customer service, by giving customers personal attention, expert information and guidance, and thorough attention to detail. We put everything we have into our employees, by creating a positive work environment that is fair, equitable and receptive to new ideas. And we put everything we have into our community, by contributing our time, talent and resources to a wide variety of charitable organizations.

We are most proud, however, of our excellent record of customer satisfaction. In survey after survey of our customers, most respondents cited our personal attention and friendly, professional service as the things they appreciate most. In addition, more than 90% of respondents were "Very Satisfied" with the quality of the finished product.

A to Z Printing is the only printer in Lincoln to have received the Forest Stewardship Council (FSC) and the Rainforest Alliance SmartWood environmental certifications which mean that the company complies with the chain-of-custody standards designed to support stewardship of the environment and responsible forest management. FSC chain-of-custody certification guarantees paper resources are documented and grown from responsibly managed, sustainable and controlled forests and confirms the company uses environmentally friendly products like recycled papers, soy inks and low volatile organic compound solutions.

A to Z Printing was first chosen as a contract vendor for city/county offset printing in 1996, and we remain in that role today. We attribute this successful working relationship to exceptional customer service, aggressive pricing, and a consistently high quality of printing on a variety of projects.

SUPERVISORY PERSONNEL

A to Z Printing has three major supervisory personnel. Sue Quambusch, President/CEO, has been with the company since its inception in 1986. She oversees day-to-day operations and is the main contact for city employees when they place orders, either by phone or by email. She is also the person to contact with any questions or problems. She can be reached at 328.3320 or sue@atozprint.com.

Rob Settell is Vice President of Production. He has been with A to Z Printing since 1994. Rob has nearly 40 years of experience in the print industry and is our production expert. He can be reached at 477.0815.

Miriah Zajic is Vice President of Administration. Her responsibilities are related to finance and marketing, and managing human resources. Miriah is responsible for special orders including checks, labels, forms, and folders.

Miriah oversees the company's environmental programs and was instrumental in leading the company to certification by the Forest Stewardship Council (FSC). A to Z Printing is the only printer in Lincoln to have received the Forest Stewardship Council (FSC) and the Rainforest Alliance SmartWood environmental certifications which mean that the company complies with the chain-of-custody standards designed to support stewardship of the environment and responsible forest management. Miriah can be reached at 328.3325 or miriah@atozprint.com.

In addition, current staff includes three graphic artists and five press operators/finishers, one of whom is our delivery driver. We have two additional part time people who help with office duties. Homer and Ruby, our two dogs, round out the crew.

A to Z Printing is proud of the relationship we have had with the City of Lincoln and Lancaster County which dates back to 1996. We look forward to continuing the tradition of offering great service and printing to all departments.
